

Bedford Borough School transport have just issued the attached letter regarding the **G53** bus service. Having contacted Expresslines we have been informed that the **G51** and **G52** contracts have also been terminated.

I understand that children travelling on the **F10** buses who currently hold a **Central Bedfordshire free bus pass** will be entitled to transport next year and will receive a new pass shortly. Those who pay the contractor directly (Chiltern Travel 01767 641400) for this service should contact the bus company to establish what they may or may not provide in September.

The **ALB/AA1** route was arranged independently of the school transport service on a fixed term contract. It is suggested that parents will need to make contact directly with the bus company

(EPL Cars) in order to establish their plans for September 2018.

We do offer wrap around care both before and after school for our children from 7.45am until 6pm every day. If you would like any further information about our wrap around care please contact the school office by telephone on 01234 870342 or via our email, admin@gbpa.org.uk
